

Welcome
to

Our new online
business filing
system

WHAT?

is SIMS (BE)

Simplify all your business filings. File business forms, request copies and certificates, access business reports, and more...

Simply File Online!

Hooray!

**SIMS (BE)
HAS LAUNCHED!**

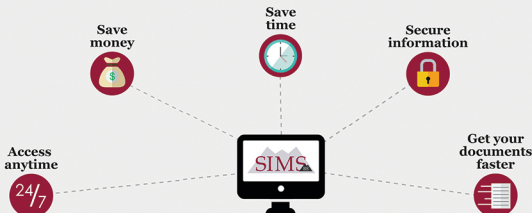

WHAT do I need to do now?

- 1 Save Your Code**
Save your **Activation Code**. You will need it to access the system after launch.
- 2 Learn More**
Visit sos.mt.gov to learn more. How will this work? Read step-by-step instructions, watch a video or connect with us.
- 3 Register**
Register and Login using ePass.
- 4 Enter Your Code**
Select your entity and enter your **Activation Code**.
- 5 Simply File Online**
View and maintain the entity you have been granted authority to. Grant authority to one or more Principal(s).

WHY should I file online?

SIMS (BE) will make filing business documents more efficient, convenient, and will be accessible 24/7.

Not a computer person? No problem. You can still file paper documents.

Simply File Online

DID you know?

Our office currently processes

~315,000

paper business filings a year.

That's a lot of paper!

Time for an upgrade!

Our current paper-based legacy business system was created in

1977

Today filing a typical paper business document may take **weeks** to complete.

After launch, you'll be able to do it online in **minutes!**
